He also has , till the time of translating this book , over (200) other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english langauge readers .

This is the book number (24) , in the author's series books in arabic .

(الكامل في أحاديث أمر النبي النساء بالخمار والغِلالة والذّيل)

_ Notes by the translator :

_ About this form : Imam … tell in his book … about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book … about comapnion (Name) . It does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for every saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of Allah and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings and companions sayings about him . Then I started to collect his sayings in specific topics to be more easy to reach and read .

_ Imam Abu-Dawood tell in his book Al-Sunan (4116) about Dihiah Al-Kalbi that prophet Mohammed said , Women must wear a thick piece of clothes under their Jilbab or Abaya to not describe any part of their bodies .

_ Imam Al-Tabarani tell in his book Al-Mu'gam Al-Kabir (8394) about Asma' Bint Omais that prophet Mohammed said , Muslim women must wear Hijab . Muslim women must cover all their bodies by wide baggy clothes and it's only allowed to uncover their faces and hands .

_ In Islam , it's a must on free women to cover all their bodies except face and hands . Also it's a must to wear wide baggy clothes that not describing any aprt of their bodies . In this book , I collect all prophet Mohammed sayings about this rule .

_ Some said that a few Islamic Imams allowed women to wear clothes that describe parts of their bodies . This is an absolute lie . All comapnions and Imams order women to wear baggy clothes that not describe any part of their bodies .

But there are a few Imam talked about , if women already wear baggy clothes and walk on street , then a strong wind came and moved their clothes to the degree of describing parts of their bodies .

They say that Allah will not punish her on that because she did not intentionally do it . But no one of them said that it's allowed for women to intentionally reveal or describe any part of their bodies .

__ That what made some people talk about this rule :

_ Some said that Hijab and the orderes to women to cover their bodies started after sixteen (16) years of Islam . And this means that muslim women did not wear Hijab for (16) whole years . Does that mean that they were available things for men to look at them ?

And does this mean that companions were looking at women whenever they want because women did not wear the usual Hijab ?

If you say no and say that companions were not looking to all women whenever they want , people will tell you so what is the difference after Hijab . You can not look at women regardless they are wearing Hijab or not .

_ Some people talked about that Hijab is a must only the free muslim women and it is not on the slaved muslim women . And in Islam , the slaved muslim woman is allowed to uncover or show her body except the area between her navel and knee .

So , they asked what is the difference between bodies of free and salved women ? Or this mean that it's very ok to look at slaved women bodies whenever you want juat because they are slaves ?

_ Some muslims said that the woman without Hijab is like uncovered candy which flies and insects gather on it .

But others answered on that by saying that this is a very bad example . Because it made women like inanimate thing that must be modified and shaped only according to men's needs .

They made them as objects that men can whatever thay want to them whenever they want to satisfy or reach the purposes they need . So the example return back very badly on them .

Also , worse than that , the Hijab is only a must on free women and not not on slaved women . Slaved women are allowed to not wear Hijab and uncover their bodies except between their knee and navel . Even when some of them wore Hijab , companions like Omar Ibn Al-Khattak hit them to take it off to not be like the free women .

So , will they say that slaved woman are uncovered candy for flies and insects ? According to their example , Allah ordered to make the slaved women uncovered candy for flies and insects !

Also , the Hijab was made on muslim women after fifteen (15) years at least . So did women remain as uncovered candy for (15) years ?!

_ There might be more search this matter to find the best possible solution , but the book is only for collecting sayings of prophet Mohammed about this matter .

1_ Imam Al-Tabarani tell in his book Al-Mu'gam Al-Kabir (8394) about Asma' Bint Omais that prophet Mohammed said , Muslim women must wear Hijab . Muslim women must cover all their bodies by wide baggy clothes and it's only allowed to uncover their faces and hands .
